SUMMARY

Multi-talented photographer/videographer since 2013 with over 100 portrait sessions, events, and drone photography flights completed. In-depth skill with image/video editing, as well as photo retouching. Works with integrity, is reliable, friendly, and competent to finish each job taken which has earned many 5-star reviews from clients! Looking for freelance job opportunities.

RECENT PROJECTS

- **Event Photographer**
Portable, Practical Educational Preparation - PPEP INC (2022-Current)
Entrusted with providing ongoing event photography/videography for the nonprofit PPEP INC that “empowers rural people to improve their quality of life and be self-sufficient”. These events include the educational Opioid Symposium & the fundraising Amado Chili Cook-off festival!
- **Portrait Photographer**
Candlelighters (2022)
Effectively fulfilled the role of portrait photographer for 30 families with Santa Claus at this event hosted by Candlelighters (a local nonprofit supporting kids with cancer).
- **Drone Photographer**
CoStar (2022)
Hired by the national real estate company CoStar as a drone photographer to capture aerial photography/videography for a largescale project of theirs, comprising neighborhoods with hundreds of homes.
- **Event Photographer**
The Marshall Foundation (2021)
Hired by The Marshall Foundation to capture event photography of the University of Arizona’s football team pep rallies. Located at Main Gate Square, these events included thousands of enthusiastic fans!

QUALIFICATIONS

- ✓ **Part 107 Certified**
Legally licensed by the FAA for commercial drone operations.
- ✓ **LinkedIn Learning**
Completed 18 online photography courses, (taught by world renowned experts).
- ✓ **Mentoring**
Received hands-on mentoring and training by expert photographers.
